

SC 13G Blank Form Instructions

These instructions have been written to help filers prepare and process files electronically. These instructions are provided only as general guidance and should not be relied upon as definitive or a substitute for the information provided in the [EDGAR Filer Manual](#).

You may save the document yourself and input your information.

When using MS Word

1. Save the message as Plain Text.
2. Click Save.
3. Put a check mark in MS-DOS.
4. Click on **Insert line breaks**.
5. Then open in **Notepad**, which is a text editor (located in your Windows accessories).
6. Beginning at line twenty six, there is text that exceeds eighty characters. There are a total of forty four error messages with the same message. You must count eighty places including spaces and drop an asterisk to use as your place holder. Do not type beyond this point.

```
